Requirements: Covid-19 vaccine required.

Onsite housing may be available.

OVERVIEW: Beaver Creek Reserve (BCR) is an environmental center founded in 1947. The 400-acre reserve includes the Eau Claire County Youth Camp, Wise Nature Center, Citizen Science Center and the Hobbs Observatory. This unique combination of facilities provides a special atmosphere where people, young and old alike, can discover, learn and appreciate the mysteries and miracles of the world where we live. Beaver Creek Reserve is the bridge that connects what youth and adults learn in their everyday environment and adds real-life tangible experiences that support growth and understanding of the natural world.

SERVICE DESCRIPTION: Beaver Creek Reserve's Summer Naturalist Individual Placement Member will assist the education staff with the planning and teaching of existing K-12 and adult programming. The Naturalist will also work on developing grade specific curriculum and programming with live animals. All program development will include, writing curriculum, creating props or materials, training volunteers and presenting programs. The Summer Naturalist will assist in special events like Maple Syrup, Native Plant Sale, Butterfly Fest, Wisconsin Master Naturalist training and more. The Summer Naturalist will play a significant role in developing, organizing and leading nature-based summer camps, summer recreation programs and seasonal programs for all ages. They will also assist in designing publicity for programs and contributing to our newsletter, social media and our blog. There is a lot of space for personal creativity and inspiration in this position.
